외국어(영어) 영역 듣기 대본**

1. 대화를 듣고, 두 사람이 결정한 디자인을 고르시오.

M: Jane, what are you doing on the computer?
W: Hi, honey. I'm trying to design a welcome sign for our front door.
M: That's a good idea. Our door does look kind of plain.
W: What do you think of this heart shape, Bill?
M: Hmm... I don't know. I like the rectangular shape better.
W: No... That's too typical. Let's go with the heart shape.
M: Well, OK. I haven't seen many of those around here.
W: We should put our names on it. How about putting them above the word, WELCOME?
M: Well, I think it looks better below.
W: Let's see... You're right. Then what do you think about putting little flowers on it like this?
M: No, it looks too crowded now. Why don't we go without them?
W: OK. I can't wait to hang our sign!

2. 대화를 듣고, 남자의 심정으로 가장 적절한 것을 고르시오.

M: Hey, Linda. Where have you been? I've been trying to reach you all morning.

W: I was in a meeting with a client.

M: Could we talk for a minute? It won't take long.

W: Not now. I have to talk to the boss about doing the presentation again.

M: Is the boss angry with us?

W: Thanks to someone, the boss now thinks that we are incompetent.

M: I know you're very upset. Is there any way I can make it up to you?

W: Make it up? How can anyone forget to bring the presentation file on the day of the presentation?

M: I don't know what to say. I let our whole team down.

W: What good is it talking about it now? Months of hard work, ruined by one careless mistake.

M: I know. I promise it won't ever happen again.

3. 다음을 듣고, 남자가 하는 말의 주제로 가장 적절한 것을 고르시오.

M: Today, we're going to talk about culture. More specifically, we're going to look at how people from different cultures see the same picture. In a study, people from Western and Eastern cultures were given a picture of a fish in the ocean. When asked what they saw, most people from Western cultures replied, "A fish." When asked the same question, most people from Eastern cultures replied, "A fish is swimming in the ocean." It seems that people from Western cultures focused more on the central object whereas those from Eastern cultures focused more on the overall picture. Why is there such a difference? No one knows for sure, but we know that culture affects what we see.

M: Right. She asked me to lend her the report that I wrote last semester.

M: No. What did he say?

W: You won't believe this. He said it was 'fine.'

W: Dad! 'Fine' is a word you use when something is not very good. You say it when you don't want to hurt someone's feelings.
