Dear Parents,

It is hard to believe that the summer is just about over and your son or daughter is entering his or her senior year. We are already busy planning our senior activities.

We would like to invite parents to attend a meeting on September 13 at 6:00 p.m. to discuss important information for students of the class of 2011.

The first event of the school year will be the annual Welcome Back Barbecue Party held on the first day of school. Student volunteers should meet in the cafeteria at 10:30 a.m., on September 1, 2010.

Students must sign up for the field trip and senior reception by November 5, 2010. The cost for joining these events is \$80.00 for the field trip and \$35.00 for the senior reception. All fees need to be paid by December 4, 2010.

Thank you.

Sincerely,

Dear Readers,

A magazine editor's role is always to try to publish the best material available on a given topic. In my case, that means finding the best artists in the world and presenting their work in this magazine—a challenging task when you consider the size of the territory, the whole planet! And that's where I need your help. For me, knowing who the best artists are in your country is next to impossible, but I bet you have your own opinions about who they are and where they can be found. Why not make a short list of the top five artists who are considered legends in your country? E-mail your list to me at editor@internationalartist.com so that I can publish them in a future issue of this magazine. Thanks for your help.

Sincerely,

Vincent Taylor

Always warm up with gentle stretching to prepare the body for bigger actions and reduce the risk of injury. Starting from "Downward Facing Dog," raise your upper body and bring your left foot between your hands, then your right foot. Keep your knees bent as you raise your upper body and stretch your arms up and forward. Then, holding your body in the same position, with knees still bent, stretch your arms all the way out to the side. Stretch your arms backward toward your shoulders. Join your fingers together and gently bend forward, straightening your legs, and releasing your head and neck muscles. Stretch your arms a little higher away from your shoulders.

다음 글을 읽고, 물음에 답하십시오.

(A)

At exactly 7:15 p.m., Hester and Lester got into the tub with Brian, their friend. When Mrs. Beale heard Hester and Lester yelling for help, she was downstairs. She came running up to the second floor. Mrs. Beale said in astonishment, "What's the matter?" The little ones pointed at Brian. "Look!" Mrs. Beale looked at him. (a)He was sitting on the floor.

(B)

The doctor asked what Brian had had for dinner. Mrs. Beale answered. "Pizza." "Well!" The doctor smiled. "Can't be that. Can you imagine a youngster getting sick from pizza?" Everybody laughed. "Besides," said the doctor, "this would have shown up on him since (b)he was little, most likely, every time he came near a pizza."

(C)

Brian was covered with spots—round, red spots all over his body, all shiny from the bath water. They looked something like little pepperonis. Mrs. Beale and the kids took him to the doctor. The doctor took a look and said it wasn't chicken pox and it wasn't measles. (c)He said it might be an allergy.

(D)

The doctor turned to Brian. "You have eaten pizza before, haven't you?" Brian's facial expression turned funny. He looked around. Everybody was staring at him. The silence grew longer, and eyes grew wider. And that's how they found out that Brian Magee was allergic to pizza. Fortunately, at 11 p.m., (d)he recovered from the pizza allergy.
