M: Students! Before we wrap up today's lesson, let's double-check what you need to do. For the final project you are going to make a short video about dos-and-don'ts in class. Look at the handout that I gave you. Plan your video on it first. Your videos will be graded on four aspects — running time, participation, originality, and organization. Your video must be longer than five minutes. Also, all group members must take a role with some lines to act. There will be an extra credit for those who cooperate well. The due date is next Friday. See you next class.
